REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

There was no prior art found by the examiner that suggested modification or combination with the cited art so as to satisfy the combination of all the limitations in claims 1, 7 and 10.

As to claims 1, 7, and 10, the prior art of record, taken alone or in combination, fails to disclose or render limitations **"a variable intensity light source illuminating the part", "at least one camera for capturing images of the part in its different positions and when illuminated at different levels of light", and "the processor comparing processed images with a reflectivity map of the part to determine which part position and which light intensity level provide sufficient data on which acceptability of the part"**, in combination with the rest of the limitations of claims 1, 7 and 10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to examiner Hoa Pham whose telephone number is (703) 308-4808.
